

You can...

if you think you can

- 1. Go for it
- 2. Sit 1. Do it leg 2. Water
- 3. Come back 3. Sleep
- 4. A cuppa

... walk away if you need to.

... get there if you try.

When you...

make something new

- 1. Look up
- 2. Look down
- 3. Look over
- 4. You'll be in luck

... ask for help, it's the first step

... see the good in yourself

I believe...

- 1. Nothing
 - 2. You
 - 3. Hex
 - 4. Everything
- I'm naive

I believe life will be good better

It's better to cry than to curse

Kindness is cooler than hate

taking a chance to be yourself

Music heals a broken world

in courtney just away

it's a word called love

I can make a difference
